Wedding at Vila Vipolže

A wedding is a celebration of love. Let's cheer for this beautiful moment in the middle of our hills, where wine and love are born.

One of the most beautiful Renaissance villas in Slovenia is the perfect and most romantic place to say "I do". Beautiful landscapes with a nice ambiance will make your wedding day just like in a fairytale.

The most touching part of your day, THE CEREMONY, usually starts on a beautiful lawn in front of Vila Vipolže...

Then the celebration starts with an APERITIVE in front of Vila Vipolže...

...and continues with a WEDDING PARTY in the vaulted cellar of the Villa or on the platform in front of the cellar.
